About our Classes

All Classes are **FREE!** Please call 806.331.2400 to RSVP, unless otherwise indicated.

Group Exercise Classes

Bells and Bands

Build strength and bone density by using resistance bands and dumbbells.

Fit Ball Foundations

30-minute class focusing on the foundation of strength, which is your core (abs and back). Learn how to engage these muscles & strengthen your balance in the process.

Pound **new**

Become one with the music and channel your inner rock star in this energizing, full body, cardio, conditioning, and strength training workout inspired by the fun of playing the drums. With yoga and pilates inspired moves, this workout is designed for everyone of all ages, abilities, and fitness levels. The POUND® workout is easily modifiable and provides the perfect atmosphere for letting loose, getting energized, toning up and rocking out!

Qigong

This class combines movement with breathing for a slow, full body workout. Most of the movements will be done in a seated position, so it is appropriate for people of all ages and abilities. Qigong exercise has many health benefits including improved circulation, better balance and coordination, and increased strength and flexibility.

Regaining Your Balance

Balance exercises can help you maintain your balance and confidence at any age. Join us and learn about how to regain or maintain your balance. There will be a short discussion about balance followed by basic balance exercises.

Stationary Bike Class **new**

Stationary Bike Class is a low impact workout, meaning it puts minimal stress on your joints. You'll ride to the beat of music from the instructor while getting a cardiovascular workout. The intensity of this class is participant-driven (by adjusting the tension on the stationary bike), with a goal of having survivors participate in a stationary fashion at 24 Hours in the Canyon. This class will meet at the Amarillo National Bank Plaza Two Building Gym- 500 S Taylor.

Tai Chi

Tai Chi is low impact and puts minimal stress on muscles and joints, making it generally safe for all ages and fitness levels. This type of exercise consists of continuous and flowing movements. It will work to improve balance and reduce your risk for falls. It will increase coordination, flexibility, and overall wellness.

Walking Group

Looking for a new way to get motivated & moving? Join us as Julie Buckles Cancer Recovery Specialist/NFPT-CPT and Susan Trollinger Cancer Exercise Specialist/CPT takes us for a walk. This class will be divided into two activity levels. This class will prepare you for upcoming events. Walking Group will meet at Sunset Center (3701 Plains Blvd). Please use the North entrance.

Water Exercise

This activity focuses on improving and maintaining joint flexibility, range of motion, and muscle strength. Water offers natural resistance, which helps strengthen your muscles. The pool is only 4 feet deep, so you need not be an expert swimmer. Class meets at **Amarillo National Bank Plaza Two Building Gym – 500 S. Taylor**

Workout Wednesday

To maintain a healthy and challenging exercise regimen, it's important to diversify your workouts with a variety of activities. We will explore new and challenging types of exercise each week.

Yoga

A gentle yoga class focused on breath & movement to help heal and strengthen the body and soul. Class will be designed around the needs of the students. Our aim is to create an environment of peace and inner strength. All levels welcome! Dress in comfy cloths.

Zumba

Zumba follows the Latin Dance inspired workout with a party like atmosphere Dance in one of the very best workouts that includes cardio, muscles, balance, flexibility, and memory. Wear comfortable loose-fitting clothes that allow movement and tennis shoes.
