ABOUT OUR CLASSES

All Classes are **FREE!** Please call 806.331.2400 to RSVP, unless otherwise indicated.

Group Exercise Classes

Bells and Bands

Build strength and bone density by using resistance bands and dumbbells.

Chair Yoga **NEW**

Chair yoga is modified yoga poses so that they can be done while seated in a chair.

Fit Ball Foundations

30-minute class focusing on the foundation of strength, which is your core (abs and back). Learn how to engage these muscles & strengthen your balance in the process.

Open Gym **NEW**

Open Gym is a time to use various fitness equipment and workout at your own pace. Our Cancer Exercise Specialist will be there to help answer any questions and assist with equipment use. **Please meet at Bfit. This is for cancer survivors only.**

Pound

Become one with the music and channel your inner rock star in this energizing, full body, cardio, conditioning, and strength training workout inspired by the fun of playing the drums. With yoga and Pilates inspired moves. The POUND® workout is easily modifiable and provides the perfect atmosphere for letting loose, getting energized, toning up and rocking out!

Qigong

This class combines movement with breathing for a slow, full body workout. Most of the movements will be done in a seated position, so it is appropriate for people of all ages and abilities. Qigong exercise has many health benefits including improved circulation, better balance and coordination, and increased strength and flexibility.

Regaining Your Balance

Balance exercises can help you maintain your balance and confidence at any age. Join us and learn about how to regain or maintain your balance. There will be a short discussion about balance followed by basic balance exercises.

Step Class **NEW**

A high intensity step aerobics class set to upbeat music! This class will combine cardio steps and light weight dumbbells: you are sure to get a great workout while having a blast!

Tai Chi

Tai Chi is low impact and puts minimal stress on muscles and joints, making it generally safe for all ages and fitness levels. This type of exercise consists of continuous and flowing movements. It will work to improve balance and reduce your risk for falls. It will increase coordination, flexibility, and overall wellness.

Walking Group

Looking for a new way to get motivated & moving? Join us as Julie Buckles Cancer Recovery Specialist/NFPT-CPT and Susan Trollinger Cancer Exercise Specialist/CPT take us for a walk inside or outside. This class will be divided into two activity levels. This class will prepare you for upcoming events. **This class will meet at the Coulter Road Baptist Church RAD building.**

Water Exercise

This activity focuses on improving and maintaining joint flexibility, range of motion, and muscle strength. The pool is only 4 feet deep, so you need not be an expert swimmer. Class meets at **Amarillo National Bank Plaza Two Building Gym – 500 S. Taylor**

Workout Wednesday

To maintain a healthy and challenging exercise regimen, it's important to diversify your workouts with a variety of activities. We will explore new and challenging types of exercise each week.

Yoga

A gentle yoga class focused on breath & movement to help heal and strengthen the body and soul. Class will be designed around the needs of the students. Our aim is to create an environment of peace and inner strength. All levels welcome! Dress in comfy clothes.

Zumba

Zumba follows the Latin Dance inspired workout with a party like atmosphere. Lower intensity workout class that recreates and modifies the original moves you love. Dance in one of the very best workouts that includes cardio, muscles, balance, flexibility, and memory. Wear comfortable loose-fitting clothes that allow movement and tennis shoes.
